Rogue Resources Issues Shares for Debt

TORONTO, ON – Rogue Resources Inc. (TSX-V: RRS) (“Rogue” or the “Company”) announces that, subject to the approval of the TSX Venture Exchange (“TSXV”), it has entered into an agreement to issue shares to settle a debt amount of \$25,000 owed to certain third-parties. The Company will be issuing 200,000 common shares at a deemed price of \$0.125 per common share in settlement of the above noted amount.

All securities issued in exchange for debt will be subject to a hold period from the date of issuance in accordance with applicable securities laws.

About Rogue Resources Inc.

Rogue is a mining company focused on generating positive cash flow. Not tied to any commodity, it looks at rock value and good grade deposits that can withstand all stages of the commodity price cycle. The Company remains focused on advancing its silica/quartz business with the Snow White Project in Ontario and the Silicon Ridge Project in Québec, exploring its other assets, including the gold potential at Radio Hill, and identifying additional projects or mines that meet its criteria.

Cautionary Note Regarding Forward-Looking Statements:

This news release contains certain statements or disclosures relating to the Company that are based on the expectations of its management as well as assumptions made by and information currently available to the Company which may constitute forward-looking statements or information (“forward-looking statements”) under applicable securities laws. Forward-looking statements are statements that are not historical facts and are generally, but not always, identified by the words “expects”, “plans”, “anticipates”, “believes”, “intends”, “estimates”, “projects”, “continue”, “potential” and similar expressions, or are events or conditions that “will”, “would”, “may”, “could” or “should” occur or be achieved.

In particular, but without limiting the foregoing, this news release contains forward-looking statements pertaining to the Company’s intention to complete the transaction as described in this release and the ability of the Company to obtain TSXV approval.

The Company believes that the material factors, expectations and assumptions reflected in the forward-looking statements contained in this news release are reasonable at this time but no assurance can be given that these factors, expectations and assumptions will prove to be correct. The forward-looking statements included in this news release are not guarantees of future performance and should not be unduly relied upon. Such forward-looking statements involve known and unknown risks, uncertainties and other factors that may cause actual results or events to differ materially from those anticipated in such forward-looking statements including, without limitation: those risks identified in the Company's most recent annual and interim management's discussion and analysis, copies of which are available on the Company's SEDAR profile at www.sedar.com. Readers are cautioned that the foregoing list of factors is not exhaustive and are cautioned not to place undue reliance on these forward-looking statements.

The forward-looking statements contained in this news release are made as of the date hereof and the Company undertakes no obligations to update publicly or revise any forward-looking statements, whether as a result of new information, future events or otherwise, unless so required by applicable securities laws.

This news release does not constitute an offer to sell or a solicitation of an offer to buy any securities in the United States of America. The securities have not been and will not be registered under the United States Securities Act of 1933 (the "U.S. Securities Act") or any state securities laws and may not be offered or sold within the United States or to U.S. Persons (as defined in the U.S. Securities Act) unless registered under the U.S. Securities Act and applicable state securities laws, or an exemption from such registration is available.
