Rogue announces AGM timing & Effective Date of Share Consolidation

- Annual General Meeting to be held October 24, location to be confirmed
- 10:1 share consolidation expected to take effect at opening of trading Thursday

VANCOUVER, B.C. – Rogue Resources Inc. (TSX-V: RRS) (“Rogue” or the “Company”) is pleased to announce that its Annual General Meeting (“AGM”) will be held October 24, 2016, with the specific location still to be confirmed. The Board of Directors has fixed the close of business on September 9, 2016 as the record date for determination of the shareholders entitled to notice of and to vote at the AGM.

Share Consolidation

The Company is now in the final stage of TSX Venture Exchange approval for the previously announced 10:1 Share Consolidation and anticipates that its common shares will begin trading on a consolidated basis on Thursday, August 25, 2016. The consolidation will result in there being approximately 8,864,500 shares outstanding. Where the exchange of ten (10) existing common shares for one (1) new common share results in a fractional share, the number of new common shares will be rounded to the nearest whole common share.

As also announced August 17, the Company currently has roughly a \$1.5M cash balance, or approximately \$0.17 per share post-consolidation.

Management Change

It is with regret that the Company announces the departure of Eddy Canova, formerly Senior Vice-President.

Paul Davis, P.Geo., Technical Consultant to the Company since February 2016, a Qualified Person (“QP”) as defined by National Instrument 43-101, will now oversee the future scientific and technical developments of the Company.
